Re: Jones v Zuckerberg and Edwards

Dear Sirs and Madam:

I am submitting more conversations I have had with Kevin Edwards, Tiege Brooks, and Facebook drawing staff.

As you read the information you will find that the same people who awarded Tiege Brooks his prize and had it delivered within 24 hours are the same people who awarded me and never compensated me after Tiege and I paid \$600.00 for the money to be sent check and then Tiege sent another \$300.00 to the same people to try to get the money delivered cash as his was received.

Tiege asked me to pay him his money back once the prize was delivered and we are both awaiting for the prize to be now awarded by the courts so he can be compensated.

In closing, we are requesting to be granted the prize of \$100,000.00 and the \$250.00 fee as well as anything else we can be awarded for them not honoring the contract.

Yours truly,

Bettyann Jones

Kevin let me give you a history of events. Tiege and I sent 600.00 and recieved a bad check of 32500.00 we kept in contact with the bank and with you and your staff and nothing was resolved. We never got the 100,000.00 now Tiege sends another 300.00 and you are requesting another 100.00 when in fact Tiege sent only 500.00 and recieved 100,000.00 without a problem....We together have sent 900.00 and have not recieved one dime...thats not fair to me or to him. We are both homeowners and have obligations to keep up we can not keep sending money with uncertainty.
